Treasurer We have \$20,000 in bank at present. Mainly all identified grant money.

Sign kiosk built, Paul Froude of Paul's Lawn Care donated his time and machine for drilling post holes. \$100.00 value.

Fobs Lights are working, pick up fob at Azu Health after registering, \$10 to use fob for the winter, when fob returned, \$10 will be returned to skier. Need a poster beside fob switch telling people how to get fobs to be able to use lights. **Passes** Evan has paper and will put names on passes, Chrystalid has a laminator and then key rings put on passes, recommended passes be done in batches. Passes to be picked up at Azu Health as well.

Lights Update from Rob re: upgrading of lights received. 29 of 53 lights were replaced with LED lighting. According to TR Electric with stadium lights restricted by disconnect switch we have gone from \$3.25 per running hour to \$1.10 per hour, this is dependent on present kilowatt hour rate of .07.

Trails Jim Wellsman, more blowdown has been cleared, old outhouse cleared from Sartors. Kirbys is still boarded up with plywood, needs to be taken down and possibly stored in wood shed.

Machine work was not done on trails, Jim to discuss with MLMCF re carry over money to next year. Guards on bridge were flipped to accommodate wider groomer but concrete no post approaches are too narrow.

No information received on Grant in Kind application to District.

Membership Olivia Updated "What's New" on website, increase of social media, Events on Community Calendar, potential for BBQ kickoff Dec 15 depending on snow conditions, ski in to Kirbys. Elaine to contact CO-op re hot dog and marshmallow donations. 11-2 pm.
