

Mackenzie Nordiques November 24, 2019

Present: Ron Paterson, Barb Paterson, Sheri Ukrainetz, Olivia Van Jarrett, Elaine Bambrick, Michael Moen.

From Michael's conversation with Dean, Golf Course Club house is owned by the district and CNC has a \$100,000 grant to work on upgrades. The shed that was built outside arena was simple and contractor in town, perhaps this is what we want for the groomer and we need to get organized with Golf club to perhaps use their facility, should organize to meet with the Golf course club executive.

We have a reciprocal with Caledonia ski in PG, 25% off for all members, and 50% off for executive members for day use at their trails.

Cadets were given discounted rate, same as last year, discussed we should ask for 10 volunteer hours from each.

Michael will be doing a presentation to council, discussing the opening, perhaps bringing back the Finlay Marathon. Or other events.

Discussed opening weekend party at Kirby's Dec 14/15 weekend.

Should get dates for Moonlight skis.

Chris Taylor did earth work for kids program and donated his time and equipment. So we still have the \$1000, perhaps we should get a skimmer.

Thank you, gift/card, for Chris.

Elaine going for coaches training in PG, Elliot and Theresa will coach this season as well.

Next meeting Jan 5, 2020
