

Mackenzie Nordiques Cross country ski club Nov 26,2017

Present at meeting: Ron Paterson, Ray Jacob, Elaine Bambrick, Olivia Van Jarrett, Matt Parker, Barb Paterson

Sled is here, Ron Paterson has been out and towed the roller around most of the trails but we need more snow.

Water is running through the dam now at Villa Sartor so hopefully there will be no further water back up in the area.

Groomer and ginzu, we will need to get a list of interested people that would like to run the groomer. Perhaps getting Mike from Prince George to come up, he is willing to give advice and help for anyone that wants to go down.

We want to do a presentation for next council meeting, action to call Diane Smith to get put on the agenda. Council meeting is Dec 11

Ray to send an email out to all paid up members and to last years members reminding them they will not receive anymore emails until they become paid up members. Plan re; groomers list, council meeting safety on the trails with wind, and a general update.

Action call Mike at Caledonia in PG to see if he would be interested in coming up to train people.

Next meeting Dec 10, 7 PM at Forest Service Building to prepare for Council Meeting.
